Bambino Mio, \$25,  
diapers.com

- 6 Features signature "Bomb Shell" blowout protection.  
Rock-A-Bums, \$17,  
rockabums.com

### Don't toss out the thought of disposables!

While cloth diapers have come a long way convenience-wise, disposable diapers are making impressive earth-friendly strides. Consider your lifestyle and budget, and bear in mind that a combination of both cloth and disposable is an option too.

Manufactured without fragrance, ink, petroleum-based lotion or chlorine processing.

Seventh Generation, \$10,  
seventhgeneration.com
